

Quran revision planner

For a child who holds a handful of short surahs, not a full juz

ABOBAKR ACADEMY

abobakracademy.com

Free. Nothing to sign up for.

Write in pencil. The groups move. Every Saturday, anything that has aged out of New drops into Settling, and anything that has aged out of Settling joins the rotation at the back of the Held list.

Tick a box when the surah has been recited aloud to someone. You are not marking the recitation. You are making sure it happens.

THE THREE GROUPS

GROUP	WHAT GOES IN IT	HOW OFTEN
New	Memorised in the last two weeks, including anything still being finished	Every day. Miss three days here and it is gone rather than rusty
Settling	Memorised in roughly the last two months	Twice a week. Solid on a good day, gone by half term if nobody asks for it
Held	Everything older, however well she knows it	Once a week, on rotation. Cheap to keep and expensive to rebuild

THIS WEEK

DAY	NEW, EVERY DAY	SETTLING, TWICE A WEEK	HELD, ONE FROM THE ROTATION
Saturday	☐	☐	☐
Sunday	☐	☐	☐
Monday	☐	☐	☐
Tuesday	☐	☐	☐
Wednesday	☐	☐	☐
Thursday	☐	☐	☐
Friday	☐	☐	☐

Two columns will often hold the same entry all week, and that is correct rather than lazy.

THE HELD LIST, IN ROTATION ORDER

1. _____	11. _____
2. _____	12. _____
3. _____	13. _____
4. _____	14. _____
5. _____	15. _____
6. _____	16. _____
7. _____	17. _____
8. _____	18. _____
9. _____	19. _____
10. _____	20. _____

Work down the list one a day and start again at the top. Past about twenty surahs, take three a week instead of one a day and let each one come round monthly. Thin cover beats no cover.

Stop adding new surahs in any fortnight where the New column was ticked fewer than five days.
